

**CANDIDATE FOR GOVERNING BOARD MEMBER
APPLE VALLEY UNIFIED SCHOOL DISTRICT**

NAME: ANITA M. ANDERSON

AGE: 64

OCCUPATION: Educator

I have served on the Apple Valley Unified School Board for the last three terms and have been proud of the accomplishments that consistent leadership brings for our students. I also represent Apple Valley as a Delegate to the State and as one of eight Board Members on SANDABS (County Advocates for Better Schools). I attended Mills College and graduated from University of California at Berkeley. I earned my teaching credential from U.C.L.A. and am currently doing graduate work at Azusa Pacific University. My husband and I have been married for 42 years. Both of our children graduated from Apple Valley High School and then graduated from U.C.L.A. and Arizona State. Due to my husband's employment we have lived in Maryland, southern and northern California, Morocco, Martinique, Paris, and northern France. I have taught in most of those places and bring that perspective for our students. Our students need the academic preparation to compete in the world marketplace. Through the collaboration of parents, teachers, all staff, administrators, and School Board, we can provide the opportunities that our students deserve.
